

Oregon Synod, ELCA Pulpit Supply List Updated June, 2010

NOTE: Names highlighted in yellow must have prior authorization from the Bishop in order to preside at Eucharist.

Payment and reimbursement to Supply Pastors:

The congregation should establish reasonable reimbursement rates for the conducting of worship services and travel expenses for supply pastors. The recommended rate of payment to supply pastors is now one hundred thirty dollars (\$130.00) for one worship service and thirty dollars (\$30.00) for each additional service on the same day and at the same location. Travel-related expenses (miles/housing/meals as appropriate) should also be reimbursed. We recommend that all expenses be discussed and negotiated prior to the time of service, if possible, and we recommend the current IRS mileage rate (\$.50/mile) be the starting point of those negotiations. The payment of these expenses is the sole responsibility of the congregation and should be paid on the day the supply pastor fills the pulpit.
